

First Major Election Of Atomic Era Nears

50 Million Voters Go To Polls Tuesday

Washington, Oct. 30—(AP)—The first American presidential campaign of the atomic era wound up tonight in a blaze of oratory.

Next Tuesday 50,000,000 to 60,000,000 voters will give a man this soul-shaking assignment:

To safeguard peace and freedom from the dangers crowding in upon them; to curb inflation and prevent a disastrous bust; to help a degree of well-being to nations staggering up from the ruins of war.

Gov. Thomas E. Dewey of New York, the man the poll takers say is away ahead, made his last big speech in Madison Square Garden, New York.

Poll-Takers Wrong: Truman
President Truman kept insisting the poll takers are wrong, despite states' rights bolters in the South and the Wallace schism in the north. The president concluded his campaign with an address at St. Louis.

Dewey and his Republican Legions had set themselves two targets:

1. To roll up a bigger popular vote margin over Truman than Franklin D. Roosevelt rolled up over Dewey four years ago.

2. To turn back a Democratic threat to regain control of the senate.

In 1944, F. D. R. had 25,000,000 popular votes and Dewey 22,000,000. The electoral tally was lopsided: 432 to 99.

Many Things At Issue

Much more besides the Presidency will be at issue in Tuesday's election. The voters will elect 32 senators, 32 governors and 432 house members. (Maine elected a senator, Governor and three house members in September, all Republicans.)

A host of state officials will be chosen, and referenda will pose innumerable questions, ranging from liquor control to legalized betting on horses and dogs.

The candidates reserve next Monday for a last-minute ritual, appeal to get out and vote.

By some estimates, the popular excitement about the election was not so great as the stakes involved. Some estimates place the vote as low as 51,000,000, much smaller than the increase in population would warrant. President Truman said it would be around 60,000,000.

Arouse Electorate

If the electorate was apathetic, the candidates had spared no pains to arouse it.

Boarding his "victory special" with his political efficiency experts from Albany, Dewey carried his message to the far corners of the country.

Confusion, defeatism and despair reigns in Washington, he said. The administration is "coming apart at the seams." The president has blundered at home and abroad, he said, and played "footie with the Communists."

Dewey Closes Campaign With Pledge For Peace

New York, Oct. 30—(AP)—Gov. Thomas E. Dewey closed his campaign for the presidency tonight with a pledge that winding world peace "is the cause closest to our hearts."

Expressing confidence he will win Tuesday's election, the Republican nominee said in an address prepared for delivery in Madison Square Garden at 8:30 p. m. CST and for broadcast (NBC) nationally:

"This is the eve of victory."

The New York governor swung hard at the administration of his Truman.

"It has been divided against itself for so long," Dewey declared, "that it has forgotten the meaning of unity, and it never did know the meaning of teamwork or competence."

He said the Democratic party has restored to "desperate tactics" because it is "splintered and divided" and "its own house is at the point of collapse," he added.

"By its daily shifts in policy our friends at the council tables for peace are left stunned and the work for peace is paralyzed," he said.

"The time has come to bring these tragedies to an end."

Then, he said, "we want our sons and daughters to be able to plan their futures and live their lives without this overshadowing threat of another war."

"That is the cause that lies closest to our hearts tonight. That is the cause above all other causes to which our next national administration will be dedicated."

An automatic bottle-making machine was invented in 1903.

Foresee Record Number Voters In State Election

Chicago, Oct. 30—(AP)—More than four million of about five million registered Illinois voters will elect a senator, governor and other state and congressional officers Tuesday.

Registration is at a record high for a presidential election. With good weather, the total votes cast also may hit a record high—possibly 4,400,000. As usual, both big parties claim they're going to win.

The main state contests are:

For U. S. Senator—Republican C. Wayland (Curly) Brooks of Chicago, senator since 1941 and seeking a second six-year term, vs. Democrat Paul H. Douglas, University of Chicago professor and former Chicago alderman.

For Governor—Republican Dwight H. Green of Chicago, governor since 1941 and trying for an unprecedented third term of four years, vs. Democrat Adlai E. Stevenson, Chicago lawyer who lives on a Libertyville farm and once was a United Nations delegate.

The big district races are for congress. Two-year terms in 26 seats in the house of representatives are at stake. Twenty now are held by Republicans. Six are held by Democrats—five of them in Chicago.

Election Data

Polls open 6 a. m., close 5 p. m. Weather outlook: cloudy and mild.

Total registration: 5,062,160 (unofficial), including 2,360,028 downstate and 2,702,132 (official) in Cook county.

Electoral votes: 28.

Precincts: 9,231 (4,208 downstate and 5,023 Cook county).

To be elected on state ballot: president and vice president, U. S. senator, governor, lieutenant governor, secretary of state, auditor of public accounts, state treasurer, attorney general, and three trustees of the University of Illinois.

To be elected in congressional districts: one congressman in each of 36 districts.

To be elected in senatorial districts: one state senator in each even-numbered district and three representatives in the general assembly in each of the 51 districts.

To be elected in counties: circuit clerk, state's attorney, coroner, recorder of deeds in counties over 60,000 population; county auditor (counties over 75,000 except Cook); county commissioner in non-township counties.

Parties listed on state ballot: Democratic, Republican, Socialist, Prohibition, and Socialist-Labor.

Puerto Rico

To Elect First Governor Tuesday

Washington, Oct. 30—(AP)—One particular aspect of the American national election Tuesday will be noted with special interest around the world by colonial possessions and satellite countries.

In a period when Russia seeks to dominate border governments with the influence of her clenched Red fist, the United States is permitting a strategically situated dependency, Puerto Rico, to choose freely its own governor.

This right was given the island by congress last year. The Puerto Ricans are exercising it. They began their campaigns early. They've conducted them with exalted oratory and colorful party banners.

But they've been orderly. The Puerto Ricans boast they jammed more people—60,000—into a political convention than did any U. S. mainland party.

It is the first time in the island's more than four centuries of history that Puerto Rico, which now has nearly 2,000,000 inhabitants, is selecting its own chief administrator.

It is just 50 years since the island was ceded to the United States after the Spanish-American war.

Chicago Apartment

Fire Kills Four, Injures Eight

Chicago, Oct. 30—(AP)—An early morning fire that trapped several families in their rooms in a south side apartment building today killed four persons and injured eight.

The flames, which caught most tenants of the building's 35 apartments asleep, blocked a second floor stairway in the four story brick building.

A mother and her 10 year old son and a man jumped from the fourth floor. The man, Hyman Ratnowski, 50, building manager, was fatally hurt. The woman, Ann Graciosa, 40, and her son, Charles, were seriously injured.

Others fled in a screaming melee down a fire escape or were rescued by firemen using ladders. Three of the injured were hurt in falls down the fire escape.

A crowd of 1,500 persons gathered to watch the fire and rescue efforts at the apartment building, 6427-29 Harper Ave.

Would Expand

Hunting, Fishing Areas In Illinois

Springfield, Ill., Oct. 30—(AP)—A survey to explore possibilities of expanding hunting and fishing areas along the Illinois river has been undertaken by the State Conservation department, it was announced today.

Much of the river's 400,000 acres of flood plain, including 190,000 acres in levee and drainage districts, will be studied. About 70,000 acres of this territory already is devoted to sportsmen's purposes.

The department said conservation officers and technicians were looking into land costs and sums needed, for example, to reduce levees in some places and to render land attractive to wildfowl and other game.

They also are determining water storage capacities of levee district areas now protected by flood barriers, and examining basin topography to ascertain fish and wildlife benefits that could be developed from the sportsman's standpoint.

Admits Slaying

16-Year-Old Girl

Woodbury, N. J., Oct. 30—(AP)—Albert H. Collins admitted today the slaying of 16-year-old Alberta Shaye. Prosecutor E. Milton Hannold announced.

Three hours after state police and county detectives started questioning the 37-year-old Philadelphia negro, Hannold emerged from his office to say:

"Collins has confessed the murder. That's all I can say now. We're working over the details of the case."

Peru Will Hold

New Elections In National Shake-Up

Lima, Peru, Oct. 30—(AP)—Gen. Manuel Odría, leader of Peru's three-day revolution, arrived in Lima tonight to form a new government.

The revolt which he started in Arequipa, in southern Peru, spread to the capital last yesterday and caused the overthrow of the government of President Jose Luis Bustamante.

(A Buenos Aires dispatch said Bustamante had arrived in the Argentine capital by special plane to take up residence in exile. He reiterated to newsmen that he had not resigned and had not given up his mandate to the people of Peru.)

He was greeted at the airport by Jose Quesada, Peruvian ambassador to Argentina, who addressed him as "my president."

Odría, a former interior minister, said in a broadcast from Arequipa before taking off for Lima that he would hold democratic elections as soon as possible.

Green, Brooks

Say Republicans Will Sweep State

Chicago, Oct. 30—(AP)—Gov. Dwight H. Green and Senator C. Wayland Brooks tonight predicted that they and the entire Republican state ticket will sweep Illinois in Tuesday's election.

Green was given a testimonial luncheon by 1,000 Union labor leaders and Brooks said he has "encouragement from many rank and file Union members." Green also was praised by a wounded war veteran group.

Brooks said in a statement that his race "has national significance because it is a testing ground of sentiment on the Taft-Hartley bill."

He said he supported the labor law as "a bill of rights" campaigning throughout the state "in the face of strenuous opposition" from AFL and CIO leaders.

"Fortunately," he said, "the new deal is on the rocks, its crew has deserted and its captain, an incompetent, confused and frustrated man, is sinking to political oblivion."

"A new day will dawn from America on Tuesday when millions of Americans will turn to the Republican party for hope, confidence and unity."

Green plans to close his speaking campaign Monday with a talk at 7 p. m. over WGN and WLS, Chicago, and 14 downstate stations at later times.

Chinese Communist Troops Take Mukden

Nanking, Oct. 30—(AP)—Mukden collapsed into Chinese Communist hands today in the most stunning government loss of the three-year civil war, reliable sources in this fearful capital reported tonight.

Many high Chinese and foreign sources declared the civil war had been decided with the fall of the great Manchurian city. Quick retirement from the remaining small holdings in southernmost Manchuria was predicted.

Bitter fighting may continue in China proper for months or even years, the sources said, but Generalissimo Chiang Kai-Shek's effort to defeat the Communists on a nationwide scale has died. The latest setback brought speculation on the possibility of replacing China's long-time leader.

Some unofficial quarters said the Communists completely occupied Mukden, swollen to nearly 2,000,000 population by refugees.

Later and equally credible reports near midnight said the encircling Communist armies had not yet taken full charge but the last government officials fled by car at 3 p. m., leaving the city in anarchic confusion.

Recent pro-government reports have indicated the bulk of Mukden's 150,000-man garrison already had left, attempting to fight its way southwest or to escape via the south Manchurian port of Yingkou, 115 miles from Mukden.

Whereabouts of Gen. Wei Li-Huang, Manchurian commander, was unknown.

The government still has hundreds of thousands of troops under arms, but the best quarters question their will to defend themselves, let alone to attack.

Some observers thought this picture was painted too dark, and banked on a possible lull during which Chiang could pull his shocked forces together.

Chiang, the president and for more than 20 years the strong man of China, flew back to Nanking tonight from Peiping, his two-week effort to recoup his northern military fortunes a failure.

President Makes

Final Major Talk In Native State

St. Louis, Oct. 30—(AP)—President Truman came home to his native Missouri tonight to announce that he has "cracked the Republican East" and that the Democrats are going to win.

The people, through the Democrats, "are going to win this election," the president declared.

"The North, the South, the East and the West are falling in line," he declared to an audience in Kiel auditorium, where he brought to a close his 271-speech, "give 'em hell" campaign over 36 states.

It was a "summing up" speech, one in which he wrapped up all the criticism he has flung at GOP nominee Thomas E. Dewey and what the president called a "good for nothing 80th Congress."

He struck out at what he called Republican opposition to the farm price support program and their efforts to wreck the Wagner labor relations law.

He said the Republicans seem to think "it is a little wicked for the government to be concerned about farm prices."

In remarks made available to the press in advance of delivery, the president declared his opponent had given the people nothing more than "platitudes and doubletalk."

The collision occurred about a mile south of here.

One of the trains normally pulls on a siding at Newbury to await the other's arrival. Newbury is about half-way between Boston and Montreal.

The locomotives were telescoped and mail and baggage cars of both trains were derailed.

Trains Collide; Four Killed

Newbury, Vt., Oct. 30—(AP)—Four train crew men were killed, five mail clerks were injured and 200 passengers shaken early today as two Boston-Montreal trains crashed head-on in a heavy fog.

The engineer and firemen on the Boston and Maine trains were trapped in their cabs and died without giving an inkling of the cause of the mishap.

A railroad spokesman said the engineers had been given train orders to meet at Newbury—as is customary—but that the southbound train passed through this country community.

Win By At Least 100,000 Votes

Chicago, Oct. 30—(AP)—Illinois Democratic leaders tonight accused the Republicans of "trying to make deals" and "steal the election."

They predicted the Democratic ticket will win the state by at least 100,000 votes.

Eleventh hour campaign statements from party chiefs includes these:

George D. Kells, Chicago, state Democratic chairman:

"Adlai E. Stevenson, our candidate for governor, and his running mate will win Illinois by 100,000 or more votes. There has been a tremendous sweep to the Democratic ticket in the last two weeks."

"Thousands of independent Republicans are going to vote for Democratic candidates in protest against the (Gov. Dwight H.) Green machine x x x."

Jacob M. Arvey, Cook county chairman:

"Republican leaders are frantically trying to make deals to save certain Republican candidates. Don't be misled by propaganda or idle rumors. We are for the straight democratic ticket from top to bottom x x x. Republicans know the tide has turned against them and are trying to capture a few offices at any cost."

15 Deaths Blamed

On Smoke Fog In Denora, Pa.

Donora, Pa., Oct. 30—(AP)—Fifteen died in this mill town of 15,000 today and healthy authorities said their deaths apparently were the indirect result of a smothering smog.

Mrs. Cora Vernon, executive director of the American Red Cross, said an emergency hospital was being set up immediately. She reported the Charleroi-Monessen hospital at nearby Charleroi was filled to capacity and estimated at least 50 persons were being treated as a direct result of the smog.

"It's very hard to breathe," said Rudolph Scherwaha, a member of the Board of Health. "It's impossible to determine just how many residents are sick but the doctors and nurses can't keep up with the situation."

All of the deaths today occurred unexpectedly after a fog which became exceptionally heavy. Mixed with smoke from industrial communities, a thick smog was created.

"The deaths seem to have hit people who were suffering from cardiac or asthmatic conditions," Scherwaha said. "There's no doubt the smog has been the cause."

See U. S. Set-Back In Loss Of China To Communists

Washington, Oct. 30—(AP)—The United States is beginning to be confronted in China with the danger of its first major reverse of the cold war.

Officials show deep concern over military, political and economic reports from the embattled land. They no longer appear so confident as they once were that Generalissimo Chiang Kai-Shek's government can revive its powers of leadership and put an end to the disastrous civil war with the communists.

If Chiang's communist foes continue their military successes and conditions in the rest of China grow steadily worse, some authorities here rate two other long-range possibilities as stronger than the chance for survival of the Chiang government:

1. The communists within a year or so may extend their mastery over all China—or so much of it that what remains out of their grasp would be insignificant.

2. Some sort of leftist government may emerge combining political elements now active in Chiang's China with the communists, in an effort to give the country peace and a new national administration.

Washington's official experts, considering the conditions which have been brought on by the latest communist successes in China, still refuse to make any hard and fast prediction. What they do agree on is that the prospects for realizing the American foreign policy aim of promoting a "free, democratic and stable government" over all China are dim.

The premier's statement came as a result of a quarrel between himself and the deputy leader of his liberal party, Sophocles Venizelos, over a proposed re-shuffle of the cabinet. Venizelos is the son of the late Eleutherios Venizelos, founder of the liberal party and one of Greece's greatest statesmen.

The Sophoulis government was formed in September, 1947, as a coalition of the populist and liberal parties, under United States pressure for a broad government. Populists and liberals are traditional rivals in Greek politics.

Venizelos had given notice that he would ask parliament for a new government picked for ability rather than party affiliations or political strength.

House Speaker

Refutes Editorial In His Newspaper

North Attleboro, Mass., Oct. 30—(AP)—House Speaker Joseph W. Martin Jr., publisher of the Daily Chronicle, said today publicly that he recorded an editorial in his paper citing Thomas E. Dewey's campaign speeches as a "cheap propaganda trick."

The Republican leader said the editorial charging the GOP presidential candidate's speeches are "designed for total effect" which "sounds good x x x but promises nothing" was a syndicated article.

"A new man picked it up and put it out" Thursday night, he said, adding "it was a newspaper accident."

Martin and Dewey exchanged public pledges of cooperation between White House and Congress in the Republicans win next Tuesday in campaign speeches here yesterday.

The editorial appeared in the Chronicle Thursday night—the day before Dewey's campaign train made a special stop here so that the New York governor could call on Martin's aged mother.

Martin said today that the editorial "certainly does not reflect my views at all."

WALLACE WOULD END

PEACETIME DRAFT

Philadelphia, Oct. 30—(AP)—Henry Wallace said tonight a large vote for his Progressive party in next Tuesday's election would doom the peace-time draft here and "send a thrill of hope around the world."

"From China and Hindustan to France and Spain and Israel," he said, "men and women everywhere will hail it with joy—for they know that such a vote means peace and not murder of mankind in unbelievable atomic catastrophe."

ILLINOIS' BUMPER CORN CROP

The 1948 corn crop continues to amaze experienced farmers of central Illinois. Many who thought they would have ample storage space already are filled to capacity and are having to sell at the going price, which is below the support level. Some who intended to store their own crop and buy for current feeding needs find themselves selling surplus instead.

Men who have spent a lifetime at farming frankly admit they never saw anything like the 1948 yield. They say the over-sized ears choke the mechanical pickers.

Lee M. Gentry, chairman of the Illinois Production and Marketing Administration committee, says farmers of the state are planning to build storage for 40 million bushels in addition to normal storage capacity. Much of this will be temporary storage.

The question of erecting extra crib space is not an easy one. It is one problem if the farm doesn't have sufficient space to handle normal production. It is quite another if there is adequate storage for normal yields.

A farmer, for instance, who hasn't had to sell off corn for lack of storage since the early 1930s has to figure closely to make even temporary storage pay. The present support price is \$1.42 per bushel. Grain has to be stored on the farm to get government support at that level. If sold on the open market today it commands well above \$1 a bushel, but below the support price.

Even temporary cribs cost 15 to 30 cents or so per bushel. Has the farmer any assurance that he will need those temporary cribs again? If not, can he afford to build? Those are the questions farmers are trying to answer as the bushels pile up. The answer will depend, of course, upon how low the current price goes. The price trend will be watched closely by alert farmers. The state of prosperity of farmers and the economic stability of the area will be affected by the outcome.

Two Local Nurses To Be Honored At Dinner

Miss Lucy Mount and Miss Mabel Reid will be honored at a Diamond Jubilee dinner to be held in Springfield, Illinois, November 4. These nurses have been selected by the Passavant Hospital Alumnae association for their outstanding contribution to professional nursing.

Two nurses have been selected from each Alumnae association in District Nine, of the Illinois State Nurses association, to be honored at the Diamond Jubilee banquet at the Leland Hotel in Springfield. This banquet is to celebrate the 75th anniversary of nursing in the United States.

Miss Mabel Reid, 311 North Prairie street, was graduated with the class of 1909 from Passavant Hospital School of Nursing. The winter of 1909 and 1910 was spent in tuberculosis nursing in California. She returned to Jacksonville in the spring of the same year as operating room supervisor at Passavant hospital and served in that capacity for four and one-half years. She then became associated with Dr. F. A. Norris as physician's assistant, a position which she still holds.

Charter Member of Class
She is a charter member of District Nine and was its first treasurer. She always has been active in the affairs of the district and in Passavant Hospital Alumnae association. Miss Lucy Mount of Lincoln was a member of the class of 1903, the first class to graduate from Passavant Hospital School of Nursing. She was the first nurse in Jacksonville to be registered under state law for Registered Nurses in Illinois.

She is a charter member and one of the organizers of the Passavant Hospital Alumnae Association, which was organized in 1907. She is also a charter member and one of the organizers of District Nine of the Illinois Nurses Association which was formed in 1913. She enrolled with the American Red Cross Nursing Service in 1913 and was one of the organizers of the Morgan County Red Cross Chapter, serving as director until 1936. During World War I, she served with the United States Public Health, Base Hospital "C," Nitro, West Virginia.

Became Surgical Assistant
After graduating from Passavant Memorial Hospital, she practiced as a private duty nurse for two years. In 1905 became surgical assistant for Dr. Carl E. Black and his associates. This work also included medical secretarial and medical library work with the Illinois State Medical Society, the Western Surgical Association, and the Morgan County Medical Society.
From 1928 to 1948 she was a member of the Illinois Nurses' Examining

Brian Sullivan, Met Tenor Star, To Appear Here

The Jacksonville Civic Music association will open its new season Monday evening by presenting Brian Sullivan, brilliant young tenor star of the Metropolitan Opera, in a concert at Jacksonville high school auditorium at 8 o'clock.

Acclaimed by critics for his clear and virile vocal style, as well as for his compelling personal magnetism both on and off stage, Mr. Sullivan has been the toast of operatic circles since his professional debut with John Charles Thomas in "The Barber of Seville" in Long Beach, Calif., in 1940.

BRIAN SULLIVAN

His debut with the Metropolitan Opera was in the title role in Benjamin Britten's "Peter Grimes" on Feb. 23, 1946. He has also appeared in the Broadway revival of "Showboat" in Beethoven's "Fidelio" and in the music-drama "Street Scene."

His wide and brilliant background of operatic achievements include both grand and light opera in Los Angeles and St. Louis. A recent trans-continental tour established him in the music world as an opera star equally at home on the concrete stage.

Carrollton Lodge Entertains For Grand Lecturer

Carrollton—Miss Bertha J. Fieker of Carrollton, grand lecturer of the Eastern Star, was the honoree at Guest Night of the local chapter of the Eastern Star held Thursday evening in the Masonic hall and was presented a gift by the worthy matron, Mrs. H. H. Levi.

Mrs. Grace Barto, also of Carrollton, served as the guest worthy matron and was honored with a solo and a gift by members of the Carrollton chapter as she was escorted to her place in the chapter room. Other guest officers were Merle Mueller of Carrollton, worthy patron; Mrs. Lena Kruse of Jerseyville, associate matron; R. Ramsey of Roodhouse, associate patron; Mrs. Edna Turpin of Hardin, secretary; Mrs. Frances Crabtree, Winchester, treasurer; Mrs. Mildred Culbertson, White Hall, conductress; Mrs. Kathryn Shane, Chesterfield, associate conductress; Mrs. Florence Price, Greenfield, chaplain; Mrs. Helen Shafer, Hillview, marshal; Mrs. Ruth Langley, Roodhouse, organist; Mrs. Aline Grabbe, Nokomis, Adah; Mrs. Eunice Houseman, Jerseyville, Ruth; Mrs. Oleta Johnson, Kane, Esther; Mrs. Violet Krull, Grafton, Electa; Miss Louise Cory, Kane, warder; Harold Culbertson, White Hall, sentinel; Mrs. Eloise Griswold, White Hall, color bearer.

As the visiting officers completed the Eastern Star ceremonial a program was given in which Mrs. Dancy Boring of Carrollton presented her sextette from her Girl Scout troop in two numbers and two of the young girls did solo numbers. Miss Betty Boring and her Shadow, Miss Helen Ann Andrews also of Carrollton, gave several twirling numbers. Miss Hester Bailey of this city played a piano solo with Miss Virginia Dowdall also of this city as accompanist.

M'Murray Dance Honors Freshmen

The first dance of the year at MacMurray college was held Saturday in McClelland Hall when the freshmen were guests of the sophomores. The students and their escorts danced to the music of Bill Oetzel and his orchestra from Champaign.

Decorations to carry out the theme of the occasion, "Blue Skies," were prepared by a committee whose chairman is Mary Breyding of Jacksonville. Trees, clouds made of masses of white balloons, and bunches of angels' hair were ranged against backgrounds of blue.

Jane Pickering of Pleasant Ridge, Mich., was general chairman of the dance. Chaperones were Mr. and Mrs. M. M. Blair, Mr. and Mrs. Robert A. Bullington, and Dr. and Mrs. C. Lepie Kanatzar.

Rev. R. J. Campbell To Leave Centenary

Dr. Sidney A. Guthrie, superintendent of the Jacksonville District of the Methodist church, has announced the appointment of the Rev. Robert J. Campbell of Centenary Methodist church as pastor of the Kedzie Avenue Methodist church in northwest Chicago.

The appointment, made by Bishop J. Ralph McGee of Chicago, comes as an advancement for Rev. Campbell who during the time he has spent in Jacksonville, has distinguished himself with religious and civic activities.

Rev. Campbell came to Centenary church two years ago from Georgetown, Ill. He will conduct his last service at Centenary Sunday morning, the appointment becomes effective on Nov. 1.

He will assume his duties as the new pastor of the church in Chicago on the following Sunday. He and his wife and family will move to Chicago soon after.

A successor to Rev. Campbell has not yet been named. Dr. Guthrie will meet with the committee of Centenary church and will endeavor to secure a replacement.

Halloween Social Held Friday Night At Wesley Chapel

A Halloween social was held at Wesley Chapel Friday evening. The program consisted of masquerade stunts and various games and contests. Refreshments and decorations were in keeping with the Halloween theme.

Prizes were awarded to Donald and Charles Richardson for the most original costumes; Anna Coultas, funniest; Cora Bridgeman and Martha Thomason, best children's costumes; Martha Richardson, prettiest; and Mrs. J. W. Lazenby, ugliest.

Judy Scott and Lee Bridgeman were winners of the children's contest. The adult's contest was won by Pete Spangler, Sarah Scott and George Vasey.

The committee in charge was comprised of Dorothy Scott, Edith Jones, Elizabeth Hardy, Jeanie Mawson and Wilma Richardson.

Cheese balls are a festive addition to a fruit or vegetable salad. Mash soft cheese, moisten with little salad dressing if desired, and shape into balls. This may then be rolled in finely chopped nuts, green pepper, celery or parsley.

Works for Reds

Dr. Kurt Fisher, chief of the Interior Department in Germany's Soviet Zone, heads the drive to organize a huge Russian-trained "police force" in Eastern Germany. The force, estimated at up to 400,000 Germans, many of them recently released, Russian-trained prisoners of war, is seen as a "Trojan horse" army that would maintain Moscow's domination in the event Big Four occupation troops are withdrawn.

Mr. & Mrs. Independent Voter

THE ST. LOUIS POST DISPATCH SAYS:
(Editorial August 16, 1948)

"Up to now Gov. Dwight H. Green has taken no notice of the Post Dispatch's disclosures of intimate connections between Illinois officials and syndicated gambling and other forms of 'protected' violation of state law."

"These are current payments. They involve the State Government at Springfield as it exists at this moment. They involve the administration of Dwight H. Green. They concern the chief prosecutor for the people of Illinois, Attorney General George F. Barrett. Why is Governor Green silent through all these disclosures? Is it because he is the chief beneficiary of syndicated gambling? Is it because the main gambling counties gave him the margin by which he was re-elected in 1940?"

THE QUINCY HERALD-WHIG SAYS:
(Editorial October 3, 1948)

"Governor Dwight Green has served two terms and is seeking a third. NO ILLINOIS GOVERNOR EVER HAS SERVED 12 YEARS. During the present administration, state expenses have doubled despite increased federal aid. The number of state payrollers has soared and many perform almost no service to the state.

"The state administration's promises have been better than its performances. The huge bureaucracy rivals that in Washington with a poorer record of accomplishment. Costs are higher than in other states, and slipshod administration has developed in selection of personnel and execution of state programs. THE LARGEST STATE POLITICAL MACHINE IN ILLINOIS HISTORY HAS BEEN BUILT AT PUBLIC EXPENSE. The alternative is the election of Adlai Stevenson and a general housecleaning."

THE CHICAGO DAILY NEWS SAYS:
(Editorial October 17, 1948)

"The Daily News recommends the election of Adlai Stevenson as Governor of Illinois. The Green administration is full of idle payrollers who make no pretense of working for their money. It nourishes a swarm of grafters, chiselers and racketeers who grow bolder every year. They threaten the moral health of the State—to say nothing of the State Treasury."

ALBERT W.

FOR

STATE'S ATTORNEY

MORGAN COUNTY

ALBERT W. HALL

ALBERT W.

HALL

FOR

STATE'S ATTORNEY

MORGAN COUNTY

It was of course a very real thrill for me to learn that, by the Republican Primary of April 13, 1948, the people gave to me the chance to stand in the election of November 2, 1948, for the very important office of State's Attorney of Morgan County, Illinois.

I have been trying to get acquainted with all of you...all over again. Perhaps I called on you back in the year 1940 when I was then, as now, a candidate for State's Attorney, then running second to Oscar Zachary in a primary with 4 candidates.

For 8 of the past 6 years I have been absent from Morgan County, 4 of those 5 years having been spent in the U. S. Army and over 1 year in War Department Service in Germany with the War Crimes Branch.

As a candidate I have been trying to ask everybody to "have a look at me" so that you can sort of "size me up" as the saying goes.

I have practiced law in Jacksonville since 1938 to date, excepting of course those years during which I was in Military and War Department Service. I entered upon active duty with the U. S. Army in April of 1942, receiving an honorable discharge in Heidelberg, Germany, in April of 1946. During my last 6 months in the Army I served as a prosecutor in the War Crimes Trials held in Heidelberg and Ludwigsburg, Germany. For the next 16 months after my discharge I was stationed at Dachau, Germany, with the War Crimes Branch.

In the course of my 22 months with the War Crimes Branch in Germany, I have had the occasion to be the prosecuting attorney of those persons charged with the killing of surrendered American flyers. Also I have assisted in the trial of those who were charged with War Crimes in connection with the operation of such notorious concentration camps as Dachau, Mathausen, Flossenber, and others.

I returned to America in August 1947, and in October 1947 reopened my office for the General Practice of Law, in the Farmers Bank Building, in Jacksonville.

In addition to carrying on with my general practice of law, I am the City Attorney for the City of Jacksonville, a post held by me at the time of entering Military Service.

I am 36 years of age, and married. I am a graduate of the College of Law of the University of Illinois, and a member of both the Morgan County and Illinois State Bar Associations.

I thank you for permitting me to present my case to you in this manner, and I hope that by your verdict, you will allow me to be your State's Attorney.

Sincerely,

ALBERT W. HALL

prizes were awarded to James Freitag, Constance Henderson, Lois Henderson, Sandra Sze Maddox, Charles Boetman, Jimmy Sargent, and Harlan Henderson. The teacher at the Arcadia school is Mrs. John Obert.

UNUSUAL 'EAR' FOUND IN MORGAN CORN CRIB

A botanical freak, an ear of corn which evidently tried to produce 31 smaller ears and ended up without a single grain to show for its troubles, was found on the Martin Burmeister farm north of Jacksonville.
The cluster had gone through a corn picker and dumped undamaged. It was discovered by Martin's father, G. H. Burmeister, while top-out a crib.

Girl Scout Week To Be Celebrated Here

Girl Scout Week, Oct. 31 to Nov. 6, will find 45 troops in Jacksonville and Morgan county again joining more than a million and a quarter members of this organization celebrating the memory of Juliette Low, founder of the movement in the United States, 36 years ago. Girl Scout Week always includes Oct. 31, the birthday anniversary of Mrs. Low.

Celebration of Girl Scout Week this year calls for a new emphasis on the values of Girl Scouting to the young women of Morgan county.

Mrs. Orville Foreman, commissioner, pointed out. It is the time also when new energy is needed to complete Clothes for Friendship projects, which the local Scouts have undertaken for the year, Mrs. Foreman said.

The Jacksonville Girl Scout Council has been devoting its energy this past month to training for Scout leadership, and announces the following list of new leaders: Miss Doris Cooley, Miss Lydia Stewart, Mrs. Clarence Wooten, Mrs. Wanda Reynolds, Miss Joyce Cox, Mrs. H. P. Metz, Mrs. Charles Long, Mrs. Virginia Giegerich, Mrs. William

City Of Waverly Held Not Liable In Lythell Death

The Illinois Appellate Court has announced a decision in the suit of Alfred E. Lythell against the City of Waverly, reversing the judgment of the Morgan County Circuit Court in which a jury awarded damages of \$2,750 to the plaintiff. The appellate court held that the trial court erred in not directing a verdict for the defendant.

Mr. Lythell, the plaintiff, brought suit as administrator of his 11-year-old son, Lawrence Alfred Lythell, who was struck and killed by a falling tree limb in the Waverly park in January, 1945. The subsequent trial in circuit court resulted in a verdict in favor of the plaintiff and awarding damages. The case was appealed to the higher court by the City of Waverly.

In its reversal of the verdict the higher court held that the Waverly public square is a public park maintained for the benefit of the citizens, and that a municipal corporation is not liable for the negligence of its employees in the discharge of their duties in maintaining the park. The appellate court took the position that the presence of a water tower in the park did not change its character as a park.

The City of Waverly was represented in defense of the suit by Paul Fenstermaker and Bellatti, Arnold & Fay, attorneys.

Come Double Class Holds Halloween Party At Church

The Come Double class of Salem Methodist church held a Halloween party and wiener roast at the home of Mr. and Mrs. Darrell Jokisch.

TAKE YOUR PICK

Electric Blanket of fine wool in colorful pastel shades. Full size for regular or twin bed. Automatic temperature control—some even individually regulate each half.

Electric Comforter—Lustrous rayon satin in beautiful colors. Full size. Inside electric sheet can be easily washed—satin cover dry-cleaned. Automatic temperature control.

Electric Sheet made of sturdy muslin and used as a regular sheet. Size 70 x 84 inches for full or twin bed. Automatic temperature control. Easy to wash.

• "Injuns" and shrewd homemakers know their blankets. That's why more and more women are learning of the extra advantages of an electric blanket.

Like a fine wool blanket—but gives the warmth of three: And because the warmth is uniform all over—and you can warm your bed before you get in, it actually keeps you warmer. Avoids the weight of a heap of blankets—and helps avoid winter colds, too. Easily washed at home. SEE THEM AT YOUR APPLIANCE DEALER'S, DEPARTMENT STORE OR OUR SALES FLOOR.

Group To Study Great Books Will Be Formed Monday

A study of great books will begin with a session Monday evening at 7 o'clock at the Jacksonville public library. This program of study is under the sponsorship of the American Association of University Women and the Jacksonville Public Library.

The study will follow the plan originated at the University of Chicago and which has spread throughout the whole country. It is directed by the Great Books Foundation.

The course serves as an incentive to many who would not otherwise delve into the study of the world's great literature.

The group will meet every two weeks for a two hour session, during which the works which have been assigned for that period will be discussed. The actual reading is to be done beforehand. The class period will be devoted to an intermingling of ideas in order to achieve a better understanding of the great books.

Anyone who can read is eligible to become a part of this group. The assignment for Monday evening is "The Declaration of Independence," 1 Kings 21, and 2 Samuel 11 and 12 in the King James version of the Bible, or 3 Kings 21, 2 Kings (Samuel) 11 and 12 in the Reims-Douay version.

Chalk, England—(P)—The Rev. A. W. W. Bowman quipped in his parish magazine: "A new dance is being introduced in which one step is forward and then two backward. Probably it goes with the latest song 'Civilization.'"

Thomas McKenna, Local Carpenter, Dies At Hospital

Thomas F. McKenna, well known local resident, died Saturday morning at 11 o'clock at Out Saviour's hospital following a brief illness.

Mr. McKenna had been a resident of Jacksonville since 1910 and followed the occupation of carpenter. He was at one time employed in that capacity at the old C. P. & St. L. carshops in this city.

He was born at Jerseyville, November 15, 1868 the son of the late Bart and Margaret Carmody McKenna.

Mr. McKenna was a member of the Church of Our Saviour.

Surviving are one son, Earl McKenna of Louisville, Ky., and one brother, Frank McKenna of this city. His wife preceded him in death.

The body is at the Reavy Funeral Home where it can be viewed Monday afternoon and evening.

Funeral services will be held Tuesday morning at St. Francis Catholic church at Jerseyville. Burial will be in the cemetery at Jerseyville.

AN OPEN LETTER TO THE NEGRO CITIZENS OF JACKSONVILLE

On November 2nd we will be called upon to exercise our constitutional rights, as citizens of these great United States, and vote. A constitutional unmolested, protected privilege we can exercise in this community, which every able bodied, intelligent man or woman voter should take advantage of.

There are many aspects to be considered in this national and state election, but it should not be too complicated for one to decide what would be the best attitude to take in this great controversy.

First, we think of ourselves as Negroes, set aside as a separate distinct group, seeking and diagnosing all information and characteristics of candidates, party platforms that would aid us, as an individual group. But, after all we are citizens of this country and should study the political situation from the standpoint of an American citizen and not entirely racial. We have the same problems to face, such as taxes, housing, employment, etc., as any other nationality in these United States. We should be interested in all phases of government supervision as free American citizens or as any other nationality regarding our rights and privileges. Exercising our vote intelligently, so that we may benefit in all government legislation that would bring the greatest results to all American citizens. Above all, think for yourself and ferret out party candidates, that will bring about ones desires and wishes.

From past records and experiences we have profited more under a Republican Administration, or any other administration of old, or others that may come into existence.

Perhaps we don't approve of being told about Abraham Lincoln, and his accomplishment in freeing us from slaves or descendants of slaves, but the fact remains that history has given Honorable Abraham Lincoln the credit for such and giving us the 13th, 14th and 15th amendments. The trouble seems to be in the fulfillment of these enactments.

When I think of my grand-parents, which neither could read nor write a letter of the alphabet, if it were printed as large as a box-car. Not because of their negligence, but circumstances failed to provide this privilege because of slavery restrictions. I have little respect for those responsible for this condition. This condition existed below the "MASON AND DIXON LINE." We call it the South.

The SOUTH is known to be the birthplace of the Democratic Party and where my grand-parents were held as slaves. I relish no great love for the Democratic Party because of these indignities heaped upon my grand-parents denying them the privilege of an education and the right to earn an honest living by the sweat of their brow and to be paid for an honest days labor.

In Missouri, the home state of President Truman we find that during our day we well remember violent outbreaks such as racial outbreaks against Negroes in Missouri. That didn't happen during slave time and in the deep South, but today, in our era of existence and just across the Mississippi River.

In the State of New York, the home of the Republican candidate, Governor Dewey we find one of the most democratic states in the Union. The City of New York is truly metropolitan. Racial indignities, on a whole, are at a minimum. Governor Dewey has already put into practice a large portion of Fair Employment. Summing it all up a citizen is a citizen there regardless to his or her nationality. As we all know New York is considered the melting pot of the world. If you have never witnessed such a democratic way of life I recommend New York City to you. A living example of true democracy. Personally I would rather live in New York and Missouri and most of the new inhabitants of Jacksonville, of late years, are Missourians by birth and am sure they know of which I speak.

Governor Green has been an honest, dependable and economical governor. A person anyone would be proud to recommend to voters.

At a meeting at the Court House a short time ago, a speech was made by one of the most able and best informed representatives we have racially, Rep. Charles Jenkins. He mentioned several incidents regarding us, that took place during Governor Green's administration. I shall relate just one.

The Civil Service Blanks that one must fill out in making application for state employment a photo of the applicant had to accompany the blanks submitted. Need I remind you if you as a Negro made application for same with your photo attached to the blank, do you feel that the commission would have been influenced by the color of the photo attached, regardless to your qualifications to qualify for the same position as the white applicant? Thru Representative Jenkins and Governor Green, this practice of accompanying photos with application blanks for jobs has been abolished.

Need I speak of the many Negro soldiers along with the Whites, that have profited by the bonuses issued by this state. According to official information "GOVERNOR GREEN'S administration has been marked by unparalleled efficiency and economy. His many notable achievements include: The largest veterans bonus ever paid by any state; increased pensions for the aged and blind; a sound state housing program; buildings sorely needed for the state welfare and educational institutions." END OF QUOTE.

Some of our Negro veterans are enjoying beautiful and comfortable homes together with automobiles and other conveniences here in Jacksonville because of veteran benefits received thru agencies established and financed through the genius and far-thinking governor and his staff.

If some of these same veterans had depended on salaries and other incomes alone, I am sure these conveniences they enjoy today would have been a little late in life arriving. Let us not be an ungrateful group and forget past favors and recognition.

Most of the disgruntled and dissatisfied persons are those that have some personal grievances or an over zealous spirit for swift and rapid recognition of racial accomplishments. All of which is perfectly natural for all free American citizens. But remember all persons may not be able to profit by the result of party victories, but a fair percentage of voters can be filtered and placed in paying positions that will be in keeping with the support given and the percentage of votes cast by you and I.

To gain the desired results wished for state and national victory remember vote straight Republican from top to bottom and put into office this state of fine, efficient, capable and red-blooded Americans.

A GREAT GOVERNOR... a great American!

Like a beacon light, lashed by waves, Governor Dwight H. Green's administration stands out calmly against a vicious and planned smear campaign, inaugurated by enemies to mislead and poison the minds of the misinformed.

The ship of state, with Governor Green at the helm, has set a course for progress that has made Illinois a leader among the states of the Union.

No governor has done more for the people of Illinois in every walk of life and added more to the dignity of the state than Dwight H. Green. His load has been heavy, his problems have been many in a changing world. He has met them with the courage of a Spartan.

Illinois needs a continuation of his services as our chief executive.

Wreck Occurs At Meredosia: One Driver Injured

A collision between a jeep station wagon and a truck on State Route 104 at the east edge of Meredosia sent one man to the hospital Saturday morning, and resulted in slight injuries for the second driver.

R. F. Dearing of Chandlerville was taken in the Schaefer ambulance to Schmitt Memorial hospital at Beardstown, suffering from cuts on his face and possibly internal injuries.

Dearing was driving west in a Willys jeep station wagon. The other vehicle involved in the accident, a 1947 Chevrolet truck owned by the Chrisman Elevator Co., was driven by Kenneth Nunn of Meredosia. Nunn was badly shaken up.

Cheriff Ralph Bourn and Deputy John Tolan went to Meredosia to investigate the accident and render assistance.

Salem Lutheran Church Still In Need Of Pastor

A meeting will be held at Salem Lutheran church following the 10 a.m. service Sunday, at which time an effort will be made to fill the vacancy caused by the resignation of the pastor, the Rev. Herman H. Koppelman, now of St. Louis.

The pastorate has twice been declined by the Rev. W. M. Albrecht of Racine. Another minister will be sought.

At the meeting Sunday the call received from a Cleveland, Ohio, church by Walter Deffner, principal of Salem school, will be considered and acted upon.

Mrs. Nora Ruckel Services Monday At White Hall

White Hall — Mrs. Nora Ruckel, 50 years old, widow of the late C. A. Ruckel, director of the Ruckel Pottery of this city, died Friday night at 11:40 o'clock at the White Hall hospital. She had been a patient there six weeks after suffering the fracture of a hip.

Mr. Ruckel preceded her in death four years ago. The pottery is one of White Hall's largest industries.

Mrs. Ruckel is survived by one sister, Mrs. Grace Lane of California; one brother, Bert Mytinger of St. Louis; one nephew and two nieces.

The remains were taken to the Dawdy Funeral Home, where services will be held at 2 p.m. Monday. The Rev. Elmer C. Johnston will officiate and burial will be in White Hall cemetery.

Town Girls Club Organized Here

Members of the recently reorganized Town Girls Club of MacMurray college, with Jean Sturm, president, adopted their new constitution at a meeting held during the past week. Ruth Schildman was elected representative for the Community Chest drive. Joan Foster, chairman of a special event planned for Nov. 6, made a report as did Virginia Stewart, chairman of an approaching rummage sale.

Other officers of the club are Ardeen De Frates, vice-president; Sue Myers, secretary; Marjorie Doolin, treasurer; Evelyn Lovekamp, keeper of archives; Norma Shaffer, recreation association representative; Esther Wilding, program chairman; and Dorothy Goebel, publicity chairman.

Women's Group of State Street Church Name Officers

An election of officers was held at a meeting of the Women's association of State Street Presbyterian church. Those chosen were Mrs. Ray Patterson, president; Mrs. W. F. Bailey, first vice president; Mrs. G. C. Richardson, second vice president; Mrs. Hugh Shaw, secretary; and Mrs. A. A. Otto, treasurer.

A potluck dinner was served with Mrs. Carl Robinson and Mrs. Scribner acting as hostesses. Sewing for the bazaar was done.

During the business session, members were reminded that their contributions for the pac-a-towel project are to be brought to the church or left with Mrs. Bailey before Thursday morning.

The next meeting will be Nov. 17. A potluck dinner will be served.

Group Five Meets With Mrs. Reynolds

Mrs. Gertrude Reynolds entertained 15 members and three guests for Group Five of the Women's Council of Central Christian church at her home, 623 West State street, Thursday afternoon.

The meeting opened with prayer by the leader, Mrs. Fay Daniel. Devotions, the theme of which was "Inspiration," were conducted by Mrs. Byron Stewart. "What a Friend We Have in Jesus" was sung by the group, accompanied at the organ by Mrs. Reynolds.

Members presented their contributions for the pak-a-towel project. The missionary lesson on "Puerto Rico" was given by Mrs. Reynolds. Mrs. Daniels then introduced the speaker, Mrs. J. E. Grogan. Her topic was "Stewardship."

During the social period refreshments were served by the hostesses, assisted by Miss Minnie Green.

The next meeting will be held at the church at 2:30 p. m. on Nov. 18. Because of Thanksgiving, the meeting is being held one week earlier than the regular date.

Saddler KO's Pep For Featherweight Championship

By JACK HAND

New York, Oct. 30.—(P)—Willie Pep is all washed up after losing his featherweight championship to Sandy Saddler.

That seems to be the consensus following last night's stunning knockout win for Saddler, a lean Harlem speedster, in 2:38 of the fourth round. Pep never looked the part of the fighter who had lost only once in 136 previous starts.

Slow to move and an easy target for Saddler's fast left uppercut, Willie Pep was down and out for the first time in his illustrious career. He had been on the deck twice before he took the full count by Referee Ruby Goldstein.

Saddler Carries Fight
Saddler, up to now a pre-fight fighter in the Garden but a main go boy elsewhere around the globe, was hitting faster and sharper than ever

before in a local ring. All the way he carried the battle to the fading champion.
Rumors of a betting coup that sent the odds favoring Pep fluctuating from 1 to 3 down to 1 to 2 and then back to 1 to 3 at ring time, resulted in a word of caution from Commissioner Eddie Egan at the noon weigh-in.

Pep Has No Excuse
"With every contest we get lots of rumors," said Egan, "we don't believe any of them. You two are honest athletes. We are holding you responsible to uphold the good name of boxing."

After the fight Egan said he thought it was a "good scrap."
"Both boys did their utmost," he added.

Pep had no excuse for his poor showing that disappointed so many of his homefolks from Hartford, Conn., who had helped contribute to a house of 14,685, and a gross of \$55,751.78.

"I have no alibis," Pep said, "I felt fine before the fight . . . I didn't expect him to be that tough. I thought I could lick him easy."

Guaranteed Return Bout
Pep was guaranteed a return shot

Six Prep Football Teams Win Flags In Friday Games

By Charles Bellatti

Springfield, Ill., Oct. 30.—(P)—A half dozen football squads clinched conference flags or at least title shares on downstate prep gridirons last night.

Moline's high-stepping Maroons pocketed the northwestern pennant with a 42-13 decision over East Moline. It was the Maroons' fourth league win without a loss and sixth victory in seven starts against all competition.

Harrisburg's bulldogs took the lead in South Six and were assured at least a share in the title when they overcame West Frankfort, 21-6, for their fourth conference triumph and seventh in eight games. Benton's Rangers, who could catch up the Bulldogs by winning their last two league titles, went outside the loop to defeat Salem, 32-14.

In the Southwest Egyptian circuit, Murphysboro won at least a share in the flag by overtaking Anna-Jonesboro, 25-6. The victory was Murphysboro's fifth in the league and 24th in a row over three years.

Carbondale Beaten
Carbondale suffered its first Southern Egyptian conference loss in five games and third of the season in eight games when it bowed 7-0 to DuQuoin.

Normal University high school's 38-6 thumping of Fairbury assured the pioneers a certain share in the Corn Belt crown which they have won the last two years. It was Normal's third conference win and fifth in eight games.

Belleville (won 4, lost 2, tied 1) moved out in front of East St. Louis in the southwestern loop by overcoming Granite City, 20-7, for its third conference win. East St. Louis, which has two conference wins, defeated Springfield, Mo., in a non-league match, 18-0, for its fourth win of the season against two setbacks and one tie.

Springfield Dumps Lincoln
In the Big 12, Springfield (6-0-1) kept alive its chances of sharing the flag with Pekin or Decatur by whipping Lincoln, 41-0. Decatur's Reds (7-0-1) whipped Lamphier of Springfield 13-6, in a non-conference tilt.

In the North Central league, Springfield Valley capped the north-east division title and Geneseo and Princeton finished conference play at the top in the southwest division with unbeaten league records. Springfield Valley (6-1-1) beat Sterling, 6-0, while Geneseo (4-1-1) whipped Dixon, 26-0, and Princeton (6-1-1) outpointed Rock Falls, 35-0.

Gillespie's five game win string was snapped, 13-6, by Hillsboro (5-3).

Wheat, Corn Futures Off Cent A Bushel; Soybeans Advance
Chicago, Oct. 30.—(P)—Wheat and corn futures moved lower on the Board of Trade today and closed near their lows for the season. Both at times were off around a cent a bushel.

Other listed commodities also were generally lower in sympathy with the major grains. An exception was soybeans which advanced about a cent.

Needed moisture in parts of the wheat belt softened the demand for the bread staple and large marketing activity in corn depressed this feed grain. Carlot receipts of the latter were estimated locally at 598, while bookings of cash grain on a to-arrive basis were reported at 265,000 bushels and shipping sales totaled 490,000 bushels.

Receipts were: wheat 23 cars, corn 598, oats and soybeans 93.

Chicago Livestock Market Report
Chicago, Oct. 30.—(P)—Livestock prices were considered nominally steady today.
Hogs were about 25 to 75 cents lower. Cattle were as much as \$1.00 higher on finished steers to as much as \$1.50 lower on beef cows. Sheep were unevenly 20 cents higher to a quarter lower.
Although swine prices tended lower, most seasons carried a dependable undertone, in contrast with the week previous. Total receipts for the week of 64,000 were the biggest since the second week of June, and ran largely to highly finished heavyweights butchers which topped during the week at \$25.50 and ended at \$25.65.
Best animal price of the week was \$40.50 for two loads of steers which graded choice to prime. A few loads of high-choice types took \$39.00 to \$39.75, but most good and choice steers sold between \$31.00 and \$38.00.
Good and choice native slaughter lambs sold up to \$25.00 most of the week and comparable yearling weathers from \$21.25 to \$22.65.

Six Prep Football Teams Win Flags In Friday Games

By Charles Bellatti

Springfield, Ill., Oct. 30.—(P)—A half dozen football squads clinched conference flags or at least title shares on downstate prep gridirons last night.

Moline's high-stepping Maroons pocketed the northwestern pennant with a 42-13 decision over East Moline. It was the Maroons' fourth league win without a loss and sixth victory in seven starts against all competition.

Harrisburg's bulldogs took the lead in South Six and were assured at least a share in the title when they overcame West Frankfort, 21-6, for their fourth conference triumph and seventh in eight games. Benton's Rangers, who could catch up the Bulldogs by winning their last two league titles, went outside the loop to defeat Salem, 32-14.

In the Southwest Egyptian circuit, Murphysboro won at least a share in the flag by overtaking Anna-Jonesboro, 25-6. The victory was Murphysboro's fifth in the league and 24th in a row over three years.

Carbondale Beaten
Carbondale suffered its first Southern Egyptian conference loss in five games and third of the season in eight games when it bowed 7-0 to DuQuoin.

Normal University high school's 38-6 thumping of Fairbury assured the pioneers a certain share in the Corn Belt crown which they have won the last two years. It was Normal's third conference win and fifth in eight games.

Belleville (won 4, lost 2, tied 1) moved out in front of East St. Louis in the southwestern loop by overcoming Granite City, 20-7, for its third conference win. East St. Louis, which has two conference wins, defeated Springfield, Mo., in a non-league match, 18-0, for its fourth win of the season against two setbacks and one tie.

Springfield Dumps Lincoln
In the Big 12, Springfield (6-0-1) kept alive its chances of sharing the flag with Pekin or Decatur by whipping Lincoln, 41-0. Decatur's Reds (7-0-1) whipped Lamphier of Springfield 13-6, in a non-conference tilt.

In the North Central league, Springfield Valley capped the north-east division title and Geneseo and Princeton finished conference play at the top in the southwest division with unbeaten league records. Springfield Valley (6-1-1) beat Sterling, 6-0, while Geneseo (4-1-1) whipped Dixon, 26-0, and Princeton (6-1-1) outpointed Rock Falls, 35-0.

Gillespie's five game win string was snapped, 13-6, by Hillsboro (5-3).

Docusen Defeats Johnny Bratton In 10-Round Go

By Charles Bellatti

Chicago, Oct. 30.—(P)—Bernard Docusen, New Orleans welterweight, held onto his number one ring ranking as title challenger today after an easy ten-round decision over Johnny Bratton, Chicago.

Docusen snapped lefts at Bratton all evening but seldom raised the Chicago fighter's ire enough to force him into the open. Bratton managed to nail Docusen with a few chin-bound rights and lefts in the early rounds but the New Orleans boy was in complete command all the way.

The bout at Chicago Stadium drew 9,113 spectators who paid \$40.05. The two judges and referee were unanimous in giving the decision to Docusen who at 143 pounds held a two-pound weight advantage over the Chicago Negro.

As is usually the rule, there are more backfield candidates than linemen standouts.

Our operators inform us that Jerry Hewitt, Jerseyville guard for four consecutive years, is top-notch all-state material. Although he weighs in at only 147 pounds, his ability to open a hole and to anticipate enemy plays has gained him considerable recognition.

Ralph Bailey of Jerseyville, one of the Illinois Valley's top scorers, Bob Kattelman of Pittsfield, an established star, Dick Paterson of Rushville, who Jacksonville remembers all too well, and Ken Barnard of White Hall, Maroon speedster, are some other backs coming in for attention in these parts.

Basketball practice has opened on the Tulane campus at New Orleans and Connie Hanley, ex-Routt star, is on the first ten of the strong southern school.

Coach Cliff Wells, one of the nation's best, has outlined a rigorous training schedule for his charges. Two weeks of work outdoors began the practice schedule.

Ten players of the squad which last year won 23 out of 26 games are back this year. Tulane has a record of 45 wins in 57 games in the last two seasons.

Some tough opponents appear on the schedule, among whom are Kentucky, L.S.U., Rice, Texas A&M, Georgia Tech, Alabama and Auburn.

Kids created a tough problem for officials at the Pittsfield-Carrollton game Friday night.

Just as the tilt began, the pranksters ruled over one set of goal posts.

Officials knuckled at all extra-point kicks should be attempted at the other end of the field. Pittsfield did that once, but a second time plunged for the marker in order to avoid the 100-yard walk.

Illinois College will spend hundreds of dollars on new grid outfit for the 1949 season. The "Blueboys" will come out in all-white uniforms, which will include not only skintight pants and form-fitting jerseys, but also new white helmets. The outfits will be modeled after those being used by the Chicago Cardinals this year.

Coach Al Miller was depending upon basketball gate receipts to foot the bill for the gridiron uniforms. But the outdoor sport is now paying its own way on the hilltop. Receipts from Saturday's homecoming game were, as far as we have been able to find, by far the largest in the history of football in Jacksonville.

Word from St. Louis indicates that the Flyers hockey team is among the best in the American league. The Bombers, St. Louis cage club, are also good and the movement of Jacksonville fans toward the Arena should show a definite increase.

Joe Brooks sold us on journeying to a hockey tilt last winter. It's one of the best spectator sports we've ever witnessed.

England's Gridders Lick Southern
Carbondale, Ill., Oct. 30.—(P)—Arkansas State College piled up a 27-point margin in the first three periods to defeat Southern Illinois University 27 to 21 today. The Maroons scored all of their points in the final quarter.

Michigan Eleven Edges Fighting Illini 28-20 In Big Nine Feature

Ann Arbor, Oct. 30.—(AP)—Unbeaten Michigan stayed on the victory trail today by edging a stubborn and courageous Illinois football team 28-20. But the Wolverines had an assist from the breaks in choking up their 20th consecutive win.

A homecoming sellout crowd of 35,928 saw Lady Luck hand out two favors that helped win the ball game.

The first came in the form of an outside penalty that nullified Dike Edgeman's 94-yard dash into the Michigan end zone on the second half kickoff play while the scoreboard read 7-7.

Moments later, officials ruled Chuck Ortmann's pass to Dick Rifenburg complete for interference on the Illinois 1-foot line when Rifenburg dropped the ball as he was hit by three Illinois defenses. It took Michigan two plays to cash in on that one.

Battle All The Way
Inspired Illinois made a fight of it all the way, however, sparked by Edgeman's punting which averaged 41.1 yards on six kicks and the amazing pass work of Bernie Krueger, who completed 12 out of 21 for 216 yards. The Illini traded punch for punch with the Big Nine champions down to the final whistle.

Both teams scored in the second and fourth periods. In the rugged third, the Wolverines chalked up two to the visitors one.

It was strictly an air game as Illinois almost doubled Michigan's aerial yardage by completing 15 out of 23 tries for a fat 256-yard total. Michigan, which outgained Illinois 102 yards to 40, was able to gather but 132 yards on 10 completions of 24 tries. But two of the seven touchdowns came on pass plays.

First Marker
Pete Elliott flipped 14 yards to End Ed McNell for Michigan's first score early in the second stanza, but Krueger's 10-yard pitch to Paul Patterson tied the score before halftime.

After Edgeman's field-length sprint with the second half kickoff was rubbed out, the Wolverines scored twice in 31 minutes.

Pulback Tom Peterson pitched 14 yards to Dick Rifenburg, climaxing a 59-yard Wolverine march. Teninga swung wide around end for the other score after Bob Mallinsky of the Illini was charged with interference on Ortmann's long pitch to Rifenburg at the goal line.

Smell Of Roses Provides Drive For NW Victory

Evansville, Ill., Oct. 30.—(AP)—Sophomore Johnny Miller, a Wildcat substitute, scored two touchdowns as Northwestern fanned its Rose Bowl hopes to blazaring brightness with a 21-7 triumph over Ohio State today.

A 47,000 homecoming throng saw the game.

Fleet Jerry Kral streaked 57 yards for the lone Buckeye score late in the second quarter after Northwestern had taken a 7-0 lead on Don Burson's scoring pass to Ed Tunni-cliff, covering 42 yards.

Jim Farris converted after all three Northwestern touchdowns and Jim Hague added after the lone Buckeye six-pointer.

Miller, who carried the ball 120 yards in 14 tries for almost a 9-yard average, took charge in the third period when the Wildcats moved 53 yards in six plays for their second touchdown. In that drive, Miller carried four times for 44 yards.

His 22-yard payoff run was a thing of beauty. Slanting over his left tackle, he suddenly changed course and, legs pumping high, churned into the end zone.

Miller reeled off a 20-yard run before the break which put over Northwestern's third score. That came when Jim Clark twice fumbled a Wildcat punt and Northwestern recovered on the Buckeye eight.

Miller gained four and then on fourth down, the play opening the fourth period, he barreled through Ohio's strong right side for his second touchdown.

Northwestern now holds sole possession of second place behind Michigan in the conference race with a 3-1 record. Michigan is ineligible for a return trip to the Rose Bowl.

Doak Walker Paces SMU To Victory
Austin, Tex., Oct. 30.—(AP)—Doak Walker, a player who does everything and does it right, led the Southern Methodist Mustangs to a convincing 21-6 victory over the Texas Longhorns here today.

Walker made one of his strongest bids of the season for All-America honors the second year in a row as he ran for two touchdowns, kicked three extra points and originated the play which gave Southern Methodist its third tally.

Walker's 100-yard dash into the end zone on the second half kickoff was rubbed out, the Wolverines scored twice in 31 minutes.

Pulback Tom Peterson pitched 14 yards to Dick Rifenburg, climaxing a 59-yard Wolverine march. Teninga swung wide around end for the other score after Bob Mallinsky of the Illini was charged with interference on Ortmann's long pitch to Rifenburg at the goal line.

It was strictly an air game as Illinois almost doubled Michigan's aerial yardage by completing 15 out of 23 tries for a fat 256-yard total. Michigan, which outgained Illinois 102 yards to 40, was able to gather but 132 yards on 10 completions of 24 tries. But two of the seven touchdowns came on pass plays.

First Marker
Pete Elliott flipped 14 yards to End Ed McNell for Michigan's first score early in the second stanza, but Krueger's 10-yard pitch to Paul Patterson tied the score before halftime.

After Edgeman's field-length sprint with the second half kickoff was rubbed out, the Wolverines scored twice in 31 minutes.

Tigers Still Unbeaten After Licking Indiana Deaf Grid Outfit 13-7

Indianapolis.—(Special)—A 66-yard payoff dash by Illinois School for the Deaf's Stanley Kwiat in the last three minutes of play gave the visiting Tigers a 13-7 victory over Indiana Deaf here Saturday afternoon.

With the score knotted at 7-7 and the clock slowly ticking around to straight up, the sturdy, hard-charging I. S. D. fullback showed that he also possessed speed as he broke through his own right tackle and streaked the remaining distance to the goal line.

Halted Indiana Drive
Illinois had just halted a last desperate Indiana threat by holding on the 35-yard line, when Kwiat got loose to dash the homecoming enthusiasm of a large throng.

The victory was Illinois' sixth in six starts this season and their fourth in four tries against Indiana throughout the history of this interstate rivalry.

Indiana gave Coach Art Yates gridders by far their greatest scare of the current campaign. For a time it looked as if the Hoosiers would have to settle for a 7-7 tie.

The Silent Hoosiers drew first blood. They scored in the first five minutes after launching a sustained drive against the slightly surprised Tigers.

First Touchdown
Indiana took over on its own 45. Then, after two first downs, Fullback Moers went off right tackle, cut back into middle and raced 33 yards to the end zone. Halfback Gormat plunged through the I. S. D. forward wall and Indiana was leading 7-0.

The joyful cheers of the partisan crowd didn't last too long, however.

In the second quarter a bad Indiana punt gave the Tigers the ball on the Hoosiers' 28-yard mark. Seven plays, most of them off two tackles, netted a touchdown, with Halfback David Early crossed the line for the extra point which left the two clubs deadlocked 7-7 at intermission.

Miss Extra Point
Just as the Indiana supporters began to congratulate themselves on holding the unbeaten visitors to a tie, Kwiat cast a pall of gloom over the proceedings with his beautiful gallop.

Illinois missed the extra point when Early's plunge was halted on the line of scrimmage, but the hosts didn't have time to catch the winners.

Indiana chucked pass after pass in the closing minutes, but few were completed and I. S. D. took over and used up the remaining time.

Illinois had made one other serious threat, moving to the Indiana five in the third period. The advance was stopped by several penalties, however, and the Tigers ended up farther away from pay dirt.

11 First Downs
Illinois piled up 11 first downs to Indiana's seven during the tight game, much of which took place in the middle.

Superior punting by the visitors opened up several of their opportunities. Indiana had trouble with its boots and, consequently, played much of the time in its own territory.

Although Indiana outweighed Illinois, the out-of-state eleven showed an advantage in the speed department.

Missouri Knocks Kansas State 11-7 Saturday

Manhattan, Kas., Oct. 30.—(AP)—The Missouri powerhouse ploughed across a soggy field and over an impatient Kansas State team today to win their second Big Seven conference football game, 11-7.

Actually it was more one-sided than the score indicated, with Missouri leading 11-0 at the half.

The Wildcats never were on Missouri soil in the first half. But in a way it was a moral victory for Kansas State to score. It happened in the third quarter. Dana Atkins slithered off right tackle, suddenly cut back and raced 46 yards for a touchdown.

A 15-yard penalty on Kansas State for unsportsmanlike conduct set Missouri up for its first touchdown. With the game less than five minutes old, Fullback Wilbur Volz went over from the one-yard line.

The Missourians scored again at the start of the first play of the second quarter. Mike Ginnouly went over on an 11-yard grid end swing.

Bus Entsminger's sharp 24-yard pass over the goal line to John Glorioso produced the third Missouri touchdown.

Late in the same period, Howard Bonnett raced 23 yards for another six pointer. He scored another touchdown in the third period, breaking off tackle for 29 yards.

At the start of the second half, Missouri made one of its longest drives of the afternoon, going from its own seven for five first downs and a touchdown, scored by Wilbur Carter.

Loyd Brinkman counted the Tigers' last touchdown in the closing quarter, going 46 yards after taking a pitch-out from Martin Sauer.

North Carolina Stays Undefeated

Knoxville, Tenn., Oct. 30.—(AP)—Charlie Justice's two first quarter touchdowns passed kept North Carolina in the list of major undefeated college football teams today by defeating Tennessee, 14-7. It was North Carolina's thirteenth consecutive victory over two seasons.

Tennessee, starting slowly, came back savagely to score in the third period on J. B. Proctor's pass to J. W. Sherill. The Vols challenged all the rest of the way.

EDGE MISSISSIPPI
New Orleans, Oct. 30.—(AP)—Tulane's green wave rolled over a constantly threatening Mississippi State football team today 9-0.

WIN IN LAST MINUTE
Terre Haute, Ind., Oct. 30.—(AP)—Bob Chester and Max Woosley passed, plunged and kicked Indiana State to a last-minute 21-20 victory over Eastern Illinois today.

COE KNOCKS KNOX
Galesburg, Ill., Oct. 30.—(AP)—Coe College, scoreless in five previous games, ruined Knox' homecoming game today by defeating the Siwashers 7-6 on a blocked punt.

YALE SHELLACKED
New Haven, Conn., Oct. 30.—(AP)—Hard-running, slick-passing Dartmouth piled up its largest score against Yale today as it wallowed the Elis, 41 to 14, in the Bowl. The Indians rolled up three touchdowns in the opening period and were never threatened thereafter.

Minnesota Rallies To Blast Indiana 30-7 Saturday

Minneapolis, Oct. 30.—(AP)—Minnesota's football team came to life in the second period today and went on to defeat an under-manned Indiana team, 30 to 7.

The Gophers spotted Indiana a first-period touchdown and then came back to roll up four touchdowns and two points on a safety before a homecoming crowd of 64,926.

The Hoosiers were handicapped in the second half by the loss of their ace halfback, George Taliaferro.

Taliaferro suffered injury to his left leg in the second period and from then on was used only for punting.

Superior Manpower
Minnesota's power and reserves proved too much for the Hoosiers. In all, Coach Bernie Bierman used 41 men. Thirty Indians saw action.

A pass, Taliaferro to Halfback John McDonnell, was good for 30 yards and Indiana's lone touchdown midway in the first period. George Parker converted. That was the only time Indiana could get near the Gopher goal.

Passes set up Minnesota's first tally in the second period. Halfback Ev Faunce tossed 20 yards to halfback Bud Hausken to put the ball on the one-yard line. Faunce punched for the touchdown. End Gordon Soltau kicked the point, the first of four to his credit in the game.

Power plays sent Minnesota ahead a short time later. Halfbacks Bill Bye and Hauskens. Quarterback Jim Malosky and Fullback Ken Belersdorf combined to work the ball to the one-yard line, with Bye going over.

Drop Passes In End Zone
Center Clayton Tonnemaker caught Hoosier Quarterback Nick Sebek trying to pass from behind Indiana's goal for a safety to give the Gophers a 16-7 advantage at half-time.

In the third period, Minnesota mixed passes and ground plays to march 63 yards. Sub Quarterback Stan Thiele scored on a quarterback sneak from the one-foot line.

Another pass, Halfback Dick Lawrence to sub Quarterback John Zupat, was good for a little better than 25 yards to set up Minnesota's fourth period touchdown. Sub Halfback Jack Sturdevant scored through the right side of his line.

Scoring:
Indiana 7 0 0 0-7
Minnesota 0 16 7 7-30

Notre Dame Rocks Navy 41-7, Scores In Every Quarter

Baltimore, Oct. 30.—(AP)—Notre Dame's dazzling football forces rocked shell-shocked Navy 41-7 today as the undefeated Irish scored in each quarter, as they have done in every game this season.

The South Bend maulers ripped to a touchdown in the first two minutes and 55 seconds. That gave the sellout crowd of 63,314 jammed into Babe Ruth Stadium a quick idea of what was going to happen.

Right after the opening kickoff by Navy, Notre Dame found itself on its 42 yard line. Frank Trippucka, whose T-formation trickery was clicking perfectly, faked a handoff to Bill Gay, then shovel-passed to Emil Sitko.

Emil had full steam up as he cut around right end and skipped 53 yards down the sideline before Jim Green knocked him out on the Navy three. Sitko was elected to crack over on the next play for the initial score. Steve Oracko placed-kicked the first of five extra points.

Shortly after the initial score Bob Horne fumbled and Bill Fischer, Notre Dame captain, recovered near the goal line. Sitko ran twice and the ball was on Navy 13. Then Trippucka faked to Sitko, shovel-passed to John Panelli and he romped over.

Sitko ramblled 44 yards in the second quarter to Navy's 15 and five plays later Trippucka lobbed a four-yard pass to Gay in the end zone.

Less than two minutes later, the Navy jitters hit Quarterback Reeves Baysinger, who fumbled on his own 25 yard marker, where Gerry Groom recovered for Notre Dame. On the first play Bob Williams, in for Trippucka, lateraled wide to Hank Smith, who went all the way to prove the reserves also knew how to get points.

Two Called Back
In the third quarter it looked like the Notre Dame record of scoring in every period would end. Twice touchdowns were called back on account of penalties, but after 13 minutes and 20 seconds of fooling around deep in Navy territory, Williams lateraled to Frank Spaniel and he skidded into pay dirt from the seven.

Navy fans got their first real chance to cheer late in the third stanza when Pistol Pete Williams hit right guard from seven yards out and got Navy into the scoring act. Roger Drew booted the point from placement.

Scoring:
Notre Dame 14 14 7 6-41
Navy 0 0 0 0-7

Millikin Overwhelms Crippled Blueboys 35-0 On Saturday

Decatur.—(Special)—Illinois college, with scarcely a back that could gain a yard, made a dismal showing here Saturday afternoon, but the performance was exactly to the liking of a partisan Millikin homecoming crowd which watched the Big Blue move methodically through a 35-0 victory.

The crippled Blueboys depended entirely upon a stout forward wall, and the line just wasn't up to the task of stopping the determined home team.

The taped up visitors weren't able to avert sure defeat very long. Millikin scored the second time it got its hands on the ball, and then started a touchdown parade which was halted only when the hosts flooded their lineup with substitutes.

Knocks Loop Record
The licking was I.C.'s second in three College Conference of Illinois battles. Millikin was gaining its third win of the year, and its third Little Nine decision in four starts.

Three members of Coach Al Miller's backfield "first five," Bob Grove, Bill Gross and Dave Billings, saw considerable action, but the running attack lacked punch and the Blueboys scored only five first downs, one on a penalty and three deep in I.C. territory in the fourth stanza.

The desperate visitors took to the air frequently, but the pass attempts only led to quicker death. Millikin intercepted four of the Blueboys' 12 aerials while Illinois completed only two for a grand total of eight yards.

Also Try Passes
Millikin went to the air occasionally, and they completed four out of nine attempts for 80 yards.

Sam Spink, I. C. line stand-out, and Millikin's Martini were ejected.

Waltz into Darkness

BY WILLIAM IRISH

Copyright by William Irish—Distributed by NEA SERVICE, INC.

THE STORY
Time, 1880. Place, New Orleans. Louis Durand, 37, a bachelor, has been corresponding with Miss Julia Russell, whom he has never seen. He has proposed marriage and she has accepted. According to her picture, Miss Russell is dark-haired, strong-featured and no longer young. Durand goes down to the dock to meet the boat that is to bring her from St. Louis.

The river was empty, the sky was clear. Both were mirrored in his anxious, waiting eyes. Then a little swirl of smudge appeared. It came from where there seemed to be no river, only an embankment; it seemed to hover over dry land, for it was around a turn the river made, before straightening to flow toward New Orleans and the pier. And those assembled on it.

He stood there waiting, others like himself about him. The smoke climbed now, was high in the sky, like dingy black clouds plumes massed together. Under its profusion a black that was solid substance, a slender cone, began to rise; a smokestack. Then a second.

"There she is," a roustabout shouted.

"There she is," Durand's heart told him softly. But it meant a different she.

The smokestack, like a blunted knife slicing through the earth, cleared the embankment and came out upon the open water bed. A tawny superstructure, that seemed to be indented with a myriad tiny niches in two long even rows, was beneath it, and beneath that, only a thin line at this distance, was the ungainly black hull. The paddles were going, slats turning over as they reached the top of the wheel and fell, shaking off spray into the turbid brown water below that they kept beating upon.

She made the turn and grew larger, prow forward. She was life-sized now, coursing down on the pier as if she meant to smash it asunder. A shrill falsetto wail, infinitely mournful, like the cry of a lost soul in torment, knifed from her, and a plume of white circled the smokestack and vanished to the rear. The City of New Orleans, out of St. Louis three days before, was back home again at its namesake port.

THE first passenger off was a man, striding, sample cases in both hands, some business traveler in haste to leave. A woman next, more slowly, picking her way with care. Gray-haired and spectacled; not she. Another woman next. Not she again; her husband a step behind her, guiding her with hand to her elbow. An entire family next.

Then more men, two or three of them pale ciphers to him, quickly passed over. Then a woman, and for a moment—No, not she; different eyes, a different nose, a different face. A stranger's curt glance, meeting his, then quickly rebuffing it. Another man. Another woman. Red-haired and sandy-browed; not she.

And then no more. The gangplank empty. A lull, as when a thing is over.

He stared up, and his face died. He was gripping the edges of the gangplank with both hands now. He released it at last, crossed around to the other side of it, accosted the officer loitering there, clutched at him anxiously by the sleeve. "No one else?"

The officer turned and relayed the question upward toward the deck in booming hand-cupped shout. "Anyone else?"

Another of the ship's company, perhaps the captain, came to the rail and peered down outside. "All ashore," he called down.

It was like a knell. Durand seemed to find himself alone, in a

Her small mouth curved in a winsome smile. "You don't know me, do you, Mr. Durand?" she asked.

pool of sudden silence, following it; though all about him there was as much noise going on as ever. But for him, silence. Stunning finality.

He waited, hoping against hope. No one else. Only baggage, the inanimate dregs of the cargo. And at last not even that.

He turned aside at last and drifted back along the pier-length and off it to the solid ground beyond, and on a little while.

And when he stopped, he didn't know it, nor why he had just when he did. Nor what reason he had for lingering on there at all.

Tears filled his eyes, and though there was no one near him, no one to notice, he slowly lowered his head to keep them from being detected.

THERE was the light touch of a hand upon his shoulder. No exacting weight, no compulsive stroke; velvety and gossamer as the alighting of a butterfly.

His head came up slowly. Then equally slowly he turned it toward the side from which the touch had come.

A figure swept around before him, as on a turntable, pivoting to claim the center of his eyes; though it was he and not the background that had shifted. It was diminutive, and yet so perfectly proportioned within its own lesser measurements that, but for the yardstick of comparison offered when the eye deliberately sought out others and placed them against it, it could have seemed of any height at all: of the grandeur of a classical statue or of the minuteness of an exquisite doll.

Her limpid brown eyes came up to the turn of Durand's shoulder.

Nursing Students Of Our Saviour's Mark Halloween

The pre-clinical students of Our Saviour's hospital sponsored a Halloween party Tuesday evening at the nurses' home. Among those present were the students, the class sponsors and the nursing school faculty. Games were played and refreshments were served.

The pre-clinical students, who started training last August, include Audrey Bergthold of Tullon; Anna Brammeier, Jerseyville; Martha Campbell, Bluffs; Wanda Deppe, Chapin; Margaret Garde, Virginia; Gloria Grammann, Beardstown; Frances Grizzle, Roodhouse; Vivian Killebrew, Palmyra; Joan Patterson, White Hall; Irene Powers, Jerseyville; Carroll Reno, Carrollton; Elizabeth Tate, Jerseyville; Doris Welch, Winchester; Suzanne Worcester, Roodhouse; and Roy Wright, a World War II veteran, of Jacksonville.

Tickets have been obtained by the school so that seven of the student nurses will be able to attend the Brian Sullivan concert, to be sponsored Monday evening by the Jacksonville Civic Music association.

Louis T. Vortman Dies At Hospital Saturday Evening

Louis T. Vortman, 76, a lifelong resident of Pin Oak neighborhood, located near Neelyville, passed away at 8 p.m. Saturday in the Our Saviour's hospital.

He leaves to mourn his death one son, Luther; a daughter, Mrs. John Duffmeier; one brother, J. H. D. Vortman; a sister, Mrs. John Aring; and three grandchildren, all of Bluffs.

He was a highly respected member of the community and of Trinity Lutheran church in Neelyville.

The remains were removed to the Schaefer Funeral Home in Mecedonia. The body will be taken to the John Duffmeier residence in Bluffs Monday at 4 p.m.

Funeral arrangements are incomplete.

Katherine Bacon, New York concert pianist and teacher, has been engaged to appear on the program of the Fine Arts conference to be conducted by MacMurray College Nov. 4-6. Miss Bacon will take the place of Rafael de Silva, Chilean pianist, whose sudden illness prevents him from filling the engagement.

KATHERINE BACON

Katherine Bacon (in private life Mrs. Arthur Newstead) is English by birth, but has lived and worked most of her life in America. She studied at Peabody Conservatory in Baltimore, at the Institute of Musical Art in New York, and with Arthur Newstead, whom she later married.

Since her debut as a concert pianist at Aeolian Hall in 1921, she has played some memorable programs. In a series of seven recitals given in 1927, she presented all the thirty-two piano sonatas of Beethoven; and at the Schubert Centenary she played all the piano works of that composer. She has been soloist with the New York Philharmonic and many other well-known orchestras in various American cities. In recent years she has taught at the Juilliard School of Music and conducted private classes in New York City.

Miss Bacon will appear in recital Thursday evening at the Jacksonville high school auditorium as part of the concert-lecture series. During the conference she will deliver lectures, conduct seminars and give auditions and suggestions to advanced piano students.

POLITICS LIVELY ISSUE AT ILLINOIS COLLEGE

If you're one of those rare individuals and haven't made up your mind how to vote come Tuesday, you might well take a walk through the Illinois College campus today or tomorrow. Some passing student probably would be pleased to advise you.

For this year is no exception: the Illinois College student continues to

be interested in politics. Maybe the interest is a little higher because so many of the students are older than those of a decade or two ago. A lot of them are former service men.

Two Hilltop clubs are taking an active part in the campaign. They're the "Students Committee for Dwight H. Green," a group of G.O.P. banner

carriers, and the "Students for Paul Douglas," an "independent group" striving for the election of the Democratic candidate.

Both clubs have held rallies, with the latter attracting by far the larger audience.

Mrs. Emily Taft Douglas appeared under the auspices of the group supporting her husband. Shown in the

photo to the left are Dick Allen, Mrs. Douglas, Lou Tinsley, treasurer, and Dick Allen, president of Students for Paul Douglas. The meeting was held at the courthouse.

Earle B. Searcy, clerk of the supreme court, spoke at Jones Chapel Friday evening at the G.O.P. meeting. Those photographed are Dick Mills, Co-Chairman Bill Williams and Bob Clark and Searcy.

Most Citizens Know Exactly How They'll Mark Their Ballots

Thousands of Morgan county voters who thrill to the anticipation of casting their votes in a presidential election Tuesday will spend the week end trying to figure if their advance predictions are correct. Although the end of the week brings the campaign virtually to a close, the election will remain uppermost in the minds of citizens until they have dropped their ballots safely in the box.

Election activity was evident around the court house Saturday where a number of precinct judges and clerks called to obtain supplies. Other precinct officials will get their supplies Monday at the office of County Clerk Douglas.

The pre-election activities were spurred by the fact that Saturday was the final day for absentee voters to apply in person for ballots at the clerk's office, which remained open during the afternoon to accommodate those who will be absent from the county on election day.

Both major parties have held a series of rallies in the county beginning back in September. Candidates running on the state tickets have visited this city to plead their own cases, and those of President Truman and Governor Dewey, neither of whom got around to making a personal visit here.

Persons who have observed presidential campaigns over a long period of years are agreed that the 1948 event is outstanding in its lack of old time campaign "fire." Political arguments are scarce. The average voter appears to have been content to let the candidates do the talking.

The most frequent explanation of pre-election quietude is that the vast majority of voters made decisions at the time of the national conventions, which they have stuck to and which they intend to convey officially into the ballot box Tuesday. In previous campaigns many voters reserved final judgment until the campaign grew hot, which generated more discussion and argument.

Regardless of when or by what means they reached their decisions, nearly all voters in the Jacksonville area have their minds pretty well fixed by this time.

There is something about a presidential election that holds fascination for all voters—those who are veterans of picking them every four years, and the young men and women who have just turned voting age. The average voter regards presidential elections as a kind of milestone in their lives. Birthday anniversaries roll by quickly, year by year, while the eve of another presidential election finds voters counting back over the four-year classes in which they have participated.

21,081 Eligible To Vote
In Morgan county there are 21,081 voters registered and eligible to vote for president, governor and other offices at stake Nov. 2. The contest between Governor Thomas E. Dewey, Republican, and President Harry S. Truman tops them all, but voters in this community derive interest from all the races, from president down to the single race for county office.

Five parties have representation on the ballot. The Prohibition, Socialist and Social Labor parties are there along with the Republican and Democrat slates. Norman Thomas, the Socialist standard bearer for president, is back on the ballot, where his name has become familiar to voters in several presidential elections.

Next to the presidential race, the contest between Governor Dwight Green, Republican, and Adlai E. Stevenson, Democrat, for governor of Illinois, hold the greatest interest locally. Voters also eye the United States senatorial scrap between C. Wayland Brooks, Republican, and Paul H. Douglas, with keen interest.

Rowe On State Ticket
Morgan county has a direct interest in the candidacy of Richard Yates Rowe of this city, Republican, the second highest administrative office in Illinois. Mr. Rowe is expected to receive a large plurality from his home community.

Congressman Sid Simpson of Carrollton, Republican, and Henry D. Sullivan of Quincy, Democrat, are opponents in a Twentieth district race for congress. The district includes 12 counties.

Hugh Green of this city, speaker of the Illinois house of representatives; G. William Horsley and T. J. Sullivan, the latter two of Springfield, are headed for reelection as members of the Illinois general assembly in the 45th district, comprising Morgan and Sangamon counties.

None of the three candidates has opposition on the ballot. Voters of each party are given opportunity to write in names, blank spaces being left for that purpose.

The only contest for a Morgan county office brings together Albert W. Hall, Republican, and M. Brooks Byus, Democrat, rivals for the office of state's attorney. Four Morgan county offices will be filled by action of the voters Tuesday, but three places on the Democratic ballot are vacant where names may be written in.

Republican candidates without opposition on the ballot are Philip E. Bradish for circuit clerk; Clarence H. Muehlhausen for coroner, and H. C. Stevenson for county commissioner.

Polls will open at 6 a. m. and close at 5 p. m. in all Morgan county precincts.

Last Services For Lillian Mae Stout Tuesday Afternoon

Funeral services for Mrs. Lillian Mae Stout, wife of the late Milton E. Stout, Sr., will be held at the Gillham Funeral Home at 3 p.m. Tuesday. The Rev. Frank C. Janssen will officiate and burial will be in Diamond Grove cemetery.

Mrs. Stout died at 7 p.m. Friday in Decatur, where she made her home with her daughter, Mrs. Leo Doolin, 355 S. Fairview avenue. She had been ill since June.

She was born in Sand Prairie, Ill., on April 12, 1867, a daughter of William and Barbara Bowley. In a ceremony held at Green Valley, Ill., on Dec. 21, 1887 she was united in marriage with Milton E. Stout, Sr. He died Jan. 3, 1915.

Two sons and two daughters survive: Clinton of Rockford, Roy M. of Jacksonville, Mrs. Annae Doolin of Jacksonville and Mrs. Mae Doolin of Decatur.

Four children preceded her in death: Milton E. Stout, Jr., of this city, who died July 2, 1948; and Paul J. Stout, who died in France during World War I. Two children died in infancy.

Mrs. Stout also leaves one brother, John W. Bowley of Brighton, Ill., 15 grandchildren and 15 great-grandchildren.

Mrs. Stout attended the Illinois School for the Deaf from 1878 to 1884. She was a member of Grace Methodist church and the Ladies Aid Society of the Deaf.

The body will remain at the Moran Funeral Home in Decatur until Sunday evening. It will be brought Monday to the Gillham Funeral Home, where the family will meet friends during the afternoon and evening.

Winchester P.T.A. Observes National Girl Scout Week

Winchester — The Winchester P.T.A. held its regular meeting Thursday at the grade school auditorium. Mrs. Thomas Coultas, the president, presided.

Mrs. L. H. Krell introduced Miss Jean Nelson, who presented the program prepared by the Intermediate Girl Scouts.

National Girl Scout week was depicted by members of the troop. Monday was represented by Janice Harper, Martha Welch, Charlotte Woodson, Irma Batley, Dorothy Smith, Jessie Woodson, Suzanne Hazelrigg, Nancy Ring, Delores Snyder, Barbara Brown, Barbara Hitt and Joyce Martin portraying various types of dress, correct and incorrect posture. Betty Jackson read a health memo.

Tuesday, "Good Citizenship" by Jean Zachary; Wednesday, "First Aid" by Mary Lou O'Donnell; Thursday, "International Friendship" by Roxie Ann Stice; Friday, "Arts and Crafts" by Carol Rolf; Saturday, "Out of Door Courtesy" by Eva Jo McDonald.

Miss Barbara Tankersley presented the Brownie Scouts, who repeated the Brownie Promise in unison. Janet Frost gave the story of the origin of the Brownies.

Sandra Pile gave a humorous reading, "Little Orphan Annie" and Angela Wilson played a piano solo. Mrs. Bess McDade read a report of the summer round-up prepared by Mrs. Mabel Barnard.

Mrs. Coultas conducted the business meeting. The budget of the year read by Mrs. Cleo Woodson was approved.

The P.T.A. will hold a bake sale in the near future.

Mrs. Coultas appointed the committees to be in charge of the sale. Mrs. Howell Hitt was appointed chairman of the Parent Teachers magazine subscriptions.

The traveling radio was won by the second grade.

Refreshments were served by the seventh grade mothers, Mrs. Ray Campbell in charge.

D.A.R. Chapters To Meet Friday
Petersburg, Jacksonville and Springfield chapters of the D.A.R. will hold a joint meeting at the St. Nicholas hotel in Springfield Friday at 12:30 p.m.

Reservations will be accepted until Nov. 2 by Mrs. Baxter, regent of the Rev. James Caldwell chapter.

Mrs. Dargen, field representative of the Tamasee school, will speak.

CARD OF THANKS
Our recent sad loss leaves us with grateful hearts toward neighbors and friends. Their comforting expressions of sympathy and thoughtfulness will always be remembered. Mrs. C. F. Buker and family.

Della E. Lockwood Dies At Her Home Saturday Night

Mrs. Della E. Lockwood, owner and director of the Lockwood School of Beauty Culture, died at her residence, 218 E. State street, at 10:15 p.m. Saturday. She had been ill for one week.

Mrs. Lockwood has occupied an important place in the business of this city since coming to Jacksonville about 18 years ago. For some time she conducted a dress shop; in more recent years she has managed the school which graduated many beauty shop operators in this area.

She was a member of many clubs and organizations of this city, including the Business and Professional Women's club, Order of Eastern Star and the White Shrine.

Mrs. Lockwood was a member of the First Church of Christ Scientist of Jacksonville.

Survivors include her husband, J. L. Lockwood; one son, J. Max Lockwood of Rockmart, Ga.; two daughters, Mrs. Mary Alice Sims of Jacksonville and Mrs. William VanDeest of Sumter, S. C., and one brother, Roy M. Sims of Los Angeles, Calif.

The body was taken to the Reynolds Mortuary, where services will be held at 2:30 p.m. Monday. Burial will be at McLeansboro, Ill., on the following day.

The family will meet friends at the funeral home from 7 to 9 p.m. Sunday.

Harry Clark Buys The County Farm In Scott Auction

Winchester—Harry Clark of Winchester was high bidder on the 80-odd acre county farm and paid \$115 per acre at public sale here Saturday afternoon.

The property, located one mile west of Winchester, just south of U. S. Route 36, includes the old frame and brick building, barn and sheds.

Clark, who owns another farm in the Illinois river bottoms, took part in spirited bidding before obtaining the property. The courthouse was filled for the sale.

The Middleton brothers of Jacksonville were auctioneers.

'...For Corn Cribs'

By The Journal Courier farm editor
Elmer Hayes, a veteran in the sawmill business, is shown as he slices off a 2x6 stick from a block of water oak at his mill located northwest of Arenzville. Mr. Hayes has "fooled around with a sawmill for 25 years."

"But this is the last year, I'm going to quit and quit in capital letters," he asserted. His friends say they'll "have to see it to believe it."

He moved his mill from his home near the Beardstown locks to the timber owned by A. C. Hart a year ago last spring.

Demand for oak, elm and ash lumber is good. "A lot of it is going into temporary cribs to take care of the big corn crop," Hayes reported.

Steam Power Used
The mill is powered by a chugging steam engine stationed about a hundred feet away. The throttle is controlled by a lever and wire contrivance within reach of the operator.

Most sawmills have abandoned the faithful old steam engine in favor of the handier diesel. It takes considerable time each day to get steam up to the working pressure; keeping the boiler supplied with

water is another chore. But it does have one big advantage, waste slabs from the logs furnish all the fuel needed.

Water is a relatively simple problem in the bottoms of Cass county. A shallow well, made by pounding a pointed length of pipe into the sandy earth, supplies all that's required.

Engine Real Veteran
The engine is also a veteran. It was made 28 years ago by the now defunct Port Huron Engine company. Hayes acquired it eleven years ago. The single-cylinder 19 horse engine spins the saw at a good clip, although it must huff and puff considerably when a tough log is fed in a little too fast.

Hayes thinks the old engine presents a lesson in current economics. He bought it for \$175 from a Mt. Sterling man. It would bring at least \$275 if sold for junk today.

Hayes and his helper, Rudolph Paul, of Arenzville, got out "about 8,000 feet" last week.
